Art & Design

Journeys

Children explore how signs, symbols and metaphors can be used to communicate ideas and meanings about a journey. They produce a mixed-media work, combining drawing, painting, collage and print-making techniques. Pupils learn about artists, craftspeople and designers who communicate their ideas.

Computer Studies

Internet Communication & e-safety

Using a variety of search mechanisms to explore the potential of ICT based information sources. Research leading to formal presentation. Exploring a range of types of information, including statistics, legislation and advertising campaigns, making judgements about the purpose and viewpoint of the company.

English

Class Novel – *The Storm Breaker*.

Pupils will explore the varied themes within the novel. Study will focus on character development and analysis and how the author has used language to convey meaning. Pupils will write diary entries and re-edit chapters.

Investigating different types of sentences in writing and using this insight to make pupils own writing more effective.

Year 7 Curriculum Overview

Michaelmas 2016
