Art & Design

Can Buildings Speak?

Children explore shape and pattern in buildings. Producing prints and rubbings of patterns found in buildings. How do these features tell us something about the purpose of the building? Group work to produce a relief sculpture using observations.

Computer Studies

- To use technology purposefully to create, organise and manipulate digital content.
- To use technology safely and respectfully, keeping personal information private; identify where to go for help and support when they have concerns about content or contact on the internet or other online technologies.
